

Global LNG (Liquefied Natural Gas) Infrastructure Security Market

2009 - 2014

Table of Contents

1. Scope, Methodology and Assumptions

- 1.1. Scope
- 1.2. LNG Infrastructure Terror Scenario Assumptions – 2008-2014
- 1.3. Methodology
- 1.4. Important Notes
- 1.5. Terror Threats to the LNG Infrastructure
 - 1.5.1. Terms of Reference
 - 1.5.2. Reconciling Homeland Security (HLS) and Homeland Defense (HLD) Interplay in Protecting LNG Infrastructure

2. Executive Summary

- 2.1. Vulnerabilities and Ramifications
- 2.2. Fact Sheet
- 2.3. Emergence of LNG Infrastructure Security Market
- 2.4. LNG Infrastructure Security Market: Major Findings
- 2.5. LNG Infrastructure Security Market: Major Conclusions
- 2.6. LNG Infrastructure Security Market: Major Forecasts
- 2.7. LNG Infrastructure Security Market Segments Outlook - 2009-2014

3. LNG Infrastructure Security - Market Drivers

4. LNG Infrastructure Security - Market Inhibitors

5. LNG World Trade Trends 1970-2020

- 5.1. LNG Market Forecast 2009 – 2014

6. LNG Infrastructure Evolution 1979-2014

7. Roster of New and to be completed by 2009-2014 LNG Terminals

8. The LNG Infrastructure - Terror Threats, Mitigation and Targets

9. The LNG Infrastructure Security Market by Geographic Regions - 2008-2014

- 9.1. LNG Infrastructure Security Market Overview

10. US: LNG Infrastructure Security Market Forecast 2009 – 2014

- 10.1. US LNG Infrastructure
 - 10.1.1. List of US LNG terminals under construction
 - 10.1.2. List of US LNG terminals approved for construction during 2009 - 2014
 - 10.1.3. List of US LNG Terminals are Under Final Stages of Constructions (All Along the Gulf Coast)

- 10.2. US LNG infrastructure Security - Market Drivers
- 10.3. US LNG infrastructure Security - Market Inhibitors
- 10.4. US LNG Infrastructure Security Market Forecast [\$M] 2009-2014

11. Europe: LNG Infrastructure Security Market Forecast 2009-2014

- 11.1. European LNG Infrastructure
 - 11.1.1. List of UK LNG Existing, Under Construction and Proposed Terminals
 - 11.1.2. List of France LNG Existing, Under Construction and Proposed Terminals
 - 11.1.3. List of Italy LNG Existing, Under Construction and Proposed Terminals
 - 11.1.4. List of Spain LNG Existing, Under Construction Terminals
 - 11.1.5. List of Belgium LNG Existing and Proposed Terminals
 - 11.1.6. List of Netherlands Proposed LNG Terminals
- 11.2. European LNG Infrastructure Security - Market Drivers
- 11.3. European LNG infrastructure Security - Market Inhibitors
- 11.4. Europe: LNG Infrastructure Security Market Forecast [\$M] 2009–2014

12. Pacific Rim Countries & Australia: LNG Infrastructure Security Market Forecast 2009-2014

- 12.1. Pacific Rim and Australia: LNG Infrastructure
 - 12.1.1. List of Japan Existing and Proposed LNG Terminals
 - 12.1.2. List of Pakistan Existing and Proposed LNG Terminals
 - 12.1.3. List of India Existing, Under Construction and Proposed LNG Terminals
 - 12.1.4. List of Asia Existing and Proposed LNG Terminals
 - 12.1.5. List of China Existing, Under Construction and Proposed LNG Terminals
- 12.2. Pacific Rim and Australia: LNG infrastructure Security - Market Drivers
- 12.3. Pacific Rim and Australia: LNG infrastructure Security - Market Inhibitors
- 12.4. Pacific Rim and Australia: LNG Infrastructure Security Market Forecast [\$M] 2009–2014

13. Middle East & West Africa Countries: LNG Infrastructure Security Market Forecast 2009 – 2014

- 13.1. Middle East & West Africa: LNG Infrastructure
 - 13.1.1. List of Middle East Countries Existing, Under Construction and Proposed LNG Terminals
- 13.2. Middle East & West Africa: LNG Infrastructure Security - Market Drivers
- 13.3. Middle East & West Africa: LNG infrastructure Security - Market Inhibitors

- 13.4. Middle East & West Africa: LNG Infrastructure Security Market Forecast [\$M] - 2009-2014
- 14. PRC & India: LNG Infrastructure Security Market Forecast [\$M] 2009-2014**
 - 14.1. PRC & India: LNG infrastructure Security - Market Drivers
 - 14.2. PRC & India: LNG infrastructure Security - Market Inhibitors
 - 14.3. PRC & India: LNG infrastructure Security Market Forecast [\$M] 2009–2014
- 15. Emerging LNG Infrastructure Security Markets: Yemen, Iran, Russia**
 - 15.1. LNG Infrastructure Security: Yemen, Iran, Russia - Market Drivers
 - 15.2. LNG Infrastructure Security: Yemen, Iran, Russia - Market Inhibitors
- 16. LNG Infrastructure Security Market – Competitiveness Analysis**
- 17. Global LNG Industry Maritime Security Market – 2008-2014**
 - 17.1. Scope
 - 17.2. LNG Maritime Security Background
 - 17.3. Waterside Domain Security
 - 17.4. LNG Terminal Security
 - 17.4.1. LNG Terminal Landside Perimeter Protection System
 - 17.4.2. LNG Terminal Waterside Perimeter Protection Systems
 - 17.5. High Seas LNG Tanker Security Systems
 - 17.5.1. LNG Tanker Security Teams
 - 17.5.2. LNG Tanker Tracking and Alarm System - “Purple Finder”
 - 17.6. Global LNG Shipping
 - 17.7. Global LNG Industry Maritime Security - Market Drivers
 - 17.8. Global LNG Industry Maritime Security - Market Inhibitors
 - 17.9. Global LNG Industry Maritime Security Market Forecast – 2008-2014
- 18. Global LNG Perimeter Security Market - 2008-2014**
 - 18.1. Scope
 - 18.1.1. Global LNG Industry Perimeter Protection Market
 - 18.2. LNG Perimeter Security Background
 - 18.3. LNG Industry Perimeter Security - Market Drivers
 - 18.4. LNG Industry Perimeter Security - Market Inhibitors
 - 18.5. Global LNG Industry Perimeter Security Market – 2008-2014
- 19. Global LNG Industry IT & C³I Systems Market 2008-2014**
 - 19.1. Scope
 - 19.2. Terror Threats and Technology Assumptions
 - 19.3. Global LNG Industry IT Security & C³I Market
 - 19.4. Global LNG Industry IT Security & C³I - Market Drivers
 - 19.5. Global LNG Industry IT Security & C³I - Market Inhibitors
 - 19.6. Global LNG Industry IT Security & C³I Systems Market – 2009-2018

20. Global LNG Industry Security Guard Services Market - 2009-2018

- 20.1. Scope
- 20.2. Global LNG Industry Security Personnel and Guard Services
 - 20.2.1. Land-Based LNG Industry Security Personnel and Guard Services
 - 20.2.2. LNG Tanker Security Personnel
- 20.3. Global LNG Industry Security Personnel and Guard Services Market
- 20.4. Global LNG Industry Security Personnel and Guard Services - Market Drivers
- 20.5. Global LNG Industry Security Personnel and Guard Services - Market Inhibitors
- 20.6. LNG Industry Security Personnel and Guard Services Market – 2008-2014

21. LNG Security Systems Service & Upgrade Market Forecast – 2007–2011

- 21.1. Market Overview
- 21.2. Market Definition & Programs
- 21.3. LNG Industry Service & Upgrade - Market Drivers
- 21.4. LNG Industry Service & Upgrade - Market Inhibitors
- 21.5. Global LNG Industry Service & Upgrade Market Outlook – 2009-2014

22. Global LNG Industry People Screening, Biometrics & RFID Market - 2008-2014

- 22.1. Scope
- 22.2. Global LNG Industry Biometrics & RFID Market Overview
- 22.3. People Screening Modalities
- 22.4. The LNG Industry People Screening Trends – 2009-2014
- 22.5. LNG Industry People Screening Technology Forecast
- 22.6. Global LNG Industry People Screening, Biometrics & RFID - Market Drivers
- 22.7. Global LNG Industry People Screening, Biometrics & RFID - Market Inhibitors
- 22.8. Global LNG Industry People Screening, Biometrics & RFID Market– 2009-2018
