|----------|------------------------------------------------------------------------------------------|-----------|
| <b>1</b> | <b>Summary .....</b>                                                                     | <b>30</b> |
| <b>2</b> | <b>Extended Summary .....</b>                                                            | <b>33</b> |
| 2.1      | Major Findings .....                                                                     | 33        |
| 2.2      | Major Conclusions .....                                                                  | 35        |
| 2.3      | Global ETD Market - 2011-2020 .....                                                      | 36        |
| 2.3.1    | The 2013-2020 Global ETD Market Outlook .....                                            | 36        |
| 2.3.2    | Global ETD Market: Systems Sales & Aftersales<br>Revenues – 2011-2020 .....              | 37        |
| 2.3.3    | Global Vertical ETD Submarkets – 2011-2020 .....                                         | 38        |
| 2.3.4    | ETD Total Market by Country/Region – 2011-2020 .....                                     | 39        |
| 2.3.5    | Cumulative 2013-2020 Global ETD Market by Vertical<br>Submarket and Country/Region ..... | 40        |
| <b>3</b> | <b>ETD Market: Drivers .....</b>                                                         | <b>41</b> |
| <b>4</b> | <b>ETD Market: Inhibitors .....</b>                                                      | <b>43</b> |
| <b>5</b> | <b>SWOT Analysis .....</b>                                                               | <b>44</b> |
| <b>6</b> | <b>Competitive Analysis .....</b>                                                        | <b>46</b> |
| <b>7</b> | <b>Explosives Detection Technologies .....</b>                                           | <b>47</b> |
| 7.1      | Explosive Materials Classification .....                                                 | 47        |
| 7.2      | Canine Explosives Screening .....                                                        | 49        |
| 7.3      | Explosives Detection Technologies .....                                                  | 51        |
| 7.3.1    | Explosives Trace Detection (ETD) .....                                                   | 51        |
| 7.3.2    | Bulk Explosives Detection .....                                                          | 51        |
| 7.3.3    | Current Explosives Detection Technologies Map .....                                      | 52        |
| 7.3.4    | ETD vs. Bulk Explosives Detection: Pros and Cons .....                                   | 53        |
| 7.4      | ETD and Other Explosive Detection Systems: Prices .....                                  | 54        |
| 7.5      | Emerging People Screening Technologies .....                                             | 54        |
| <b>8</b> | <b>Current Explosives Trace Detection (ETD) Technologies .....</b>                       | <b>55</b> |
| 8.1      | ETD Principles of Operation .....                                                        | 55        |
| 8.2      | ETD Core Technologies .....                                                              | 57        |
| 8.2.1    | Overview .....                                                                           | 57        |
| 8.2.2    | Ion Mobility Spectroscopy (IMS) .....                                                    | 60        |
| 8.2.3    | ChemiLuminescence (Thermal Energy Analyzers) .....                                       | 61        |
| 8.2.4    | Electron Capture Detectors (ECD) .....                                                   | 62        |
| 8.2.4.1  | Electron Capture Detectors (ECD) Advantages: .....                                       | 62        |
| 8.2.4.2  | Electron Capture Detectors (ECD) Disadvantages: .....                                    | 62        |
| 8.2.5    | Surface Acoustic Wave (SAW) .....                                                        | 63        |
| 8.2.6    | Nanotechnology-enabled Technologies for Explosives<br>Detection .....                    | 64        |
| <b>9</b> | <b>Technology Outlook - 2013-2020 .....</b>                                              | <b>66</b> |
| 9.1      | Introduction .....                                                                       | 66        |

|           |                                                                                                 |           |
|-----------|-------------------------------------------------------------------------------------------------|-----------|
| 9.2       | Techno-Tactical Needs .....                                                                     | 67        |
| 9.3       | ETD of the Future: Techno-Tactical Drivers.....                                                 | 67        |
| 9.4       | ETD of the Future: Performance & Operational Goals.....                                         | 68        |
| 9.5       | Advanced Sample Collection .....                                                                | 69        |
| 9.6       | Dual Sensor ETD Technology .....                                                                | 70        |
